

Delta Dental's mobile website: Information at your fingertips

**Go mobile for fast, easy
access to your information**

Our mobile website makes it easy to access enrollee Online Services. The tools you use most are streamlined so you can get what you need on the go — with just a few taps.

Try it out today. Visit deltadentalins.com from your smartphone and select “Visit Mobile Site.”

- View your ID card — pull it up at your dentist's office.
- Find a dentist closest to you with your smartphone's location services.
- Check benefits, eligibility, deductibles and maximums.
- Search for covered benefits by keyword or procedure code.
- Check claims status and claims history.
- Manage your profile and select “Receive Statements Online” to reduce your paper clutter.
- Bookmark or save a home page shortcut to our website in just one tap.
- Access SmileWay® Wellness articles.

Save time — reduce phone calls. The information you need is at your fingertips.
